

Loving Creator,
we come before You with hearts full of gratitude
for the gift of Your creation.

Help us to recognize the beauty of the Earth,
Inspire us to walk to our place of worship,
and to embrace our sacred duty to protect it.

Guide our steps as we walk,
reminding us that every step is a prayer
for the healing of the planet.

May we learn to live simply,
in harmony with nature,
and to consume responsibly,
honouring the world You have entrusted to us.

Motivate us to see walking not only
as an act of care for the earth

But, open our hearts to the **cries of the poor**
and vulnerable,
who are most impacted by
environmental degradation.

Grant us the wisdom to act with **urgency**,
in safeguarding the Earth for future generations.

Help our faith communities to lead by walking,
showing the world that true stewardship
comes from love and respect for Your creation.

Teach us to **find joy in the small steps**
we take to protect the environment.

May our actions bring glory to You,
and hope to the world.

In Your holy name,
we pray.

Amen.
